- (b) The costs, expenses and time of performing the Work in compliance with the Current Pandemic Conditions have been considered in setting the Contract Price and the schedule for completion of the Work and, notwithstanding any other provision in this MSA, shall not be the basis for an increase in the Contract Price or an extension of the schedule for completion of the Work.

7.4 Force Majeure

- (a) Subject to Section 7.4(b), "Force Majeure Event" means any event or circumstance beyond the reasonable control of either CMO or the Contractor (other than a lack of funds or other financial reason) including the following:
 - (i) Unusually Severe Adverse Weather Conditions; and

- (c) Circumstances relating to the COVID-19 pandemic shall not be regarded as a Force Majeure Event, unless circumstances arising in connection with the COVID-19 pandemic change materially from Current Pandemic Conditions in a manner that causes a new failure or delay in a Party's fulfillment or performance of any term of this MSA that would otherwise constitute a Force Majeure Event.
- (d) A Party that experiences a Force Majeure Event shall use all commercially reasonable efforts to end the Force Majeure Event, ensure the effects of the Force Majeure Event are minimized and resume full performance under this MSA.
- (e) In the event that either CMO or the Contractor shall be unable to fulfil, or shall be delayed, or shall be prevented from the fulfilment of, its obligation under this MSA by reason of a Force Majeure Event, then either Party shall forthwith notify the other in writing and CMO shall either: terminate this MSA or any affected Statements of Work as soon as reasonably practicable in writing and without any further payments being made; or authorize the Contractor to continue the performance of this MSA in writing with such adjustments and/or amendments as required by the existence of the Force Majeure Event and as agreed upon by both Parties acting reasonably. If the Parties cannot agree upon the adjustments and/or amendments, it is agreed by the Parties that this MSA shall be immediately terminated with no further obligations by either Party.
- (f) For the purposes of clarification and notwithstanding any other provision in this MSA, the Contractor shall be solely responsible for maintaining all Work, including collection services, as applicable, in all circumstances that are not Force Majeure Events.

7.5 MSA Termination

- (b) The exercise of any remedy provided by this MSA does not relieve the Contractor from any liability remaining under this MSA.
- (c) CMO may take such steps as it considers necessary to remedy any breach of contract and any damages or expenditures thereby incurred by CMO plus a reasonable allowance for overhead may be collected by deduction or set-off pursuant to Section 7.5(b).
- (d) No waiver of any right or obligation of either Party hereto shall be effective unless in writing, specifying such waiver, and executed by the Party against whom such waiver is sought to be enforced. Except as otherwise set forth in this MSA, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from this MSA shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. A waiver by either Party of any of its rights under this MSA on any occasion shall not be a bar to the exercise of the same right on any subsequent occasion or of any other right at any time.

The mediator will be appointed jointly by the Parties; and
- (iii) If the Parties are unable to resolve the dispute within a period of thirty (30) calendar days after the first mediation session, the dispute shall be resolved through binding arbitration in accordance with Section 7.8.

The Parties irrevocably and unconditionally waive any objection to the venue of any action or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

- (c) The Commercial General Liability policy is to contain, or be endorsed to contain, the following provisions:
 - (i) The Contractor's insurance coverage shall be the primary insurance with respect to CMO, the Manager and their respective officers, directors, employees, agents and representatives. Any insurance, self-insurance, or insurance pool coverage maintained by CMO or the Manager shall be more than the Contractor's insurance and shall not contribute with it;

- (ii) Coverage shall state that the Contractor's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability; and
 - (iii) Policies for the above must be kept continuous throughout the term of this MSA. If any of the above policies are being cancelled, the Contractor shall notify CMO and the Manager in writing at least thirty (30) calendar days prior to the effective date of cancellation. The Contractor shall provide proof of renewal or replacement of any other policies of insurance, on or before the expiry date, at the request of the CMO or Manager. - (b) No Party shall have any obligation with respect to the implementation of a Change Order unless or until the Parties have reached agreement in writing and the Parties have entered into a Statement of Work in respect of such change.

8.8 Change Management

- (a) CMO shall be entitled to propose changes, alterations and/or amendments to the Work including removing all or a portion of the Work under any Statements of Work. If CMO deems it prudent to require a change in the Work, CMO shall notify the Contractor of the proposed change in the Work in writing ("Change Notice"). Without limiting the foregoing, CMO may issue a Change Notice using the Manager.
- (b) A Change Notice shall describe the change in the Work in sufficient detail to enable the Contractor to calculate and provide a change in cost estimate (the "Cost Estimate"), if any. The Contractor agrees that the Cost Estimate shall be provided in writing to CMO within a period of fifteen (15) Business Days or other timeline agreed to with CMO in writing from the date of receipt of the Change Notice.
- (c) The Cost Estimate shall include but is not limited to the following as it relates to the change in Work:

 - (iii) Any amendment that may be required to be made to the terms and/or conditions of this MSA; and
 - (iv) Any change in the Contractor's costs.

- (d) As soon as practicable after CMO receives the Cost Estimate, the Parties shall act in good faith to resolve the issues set out in the Cost Estimate and Change Notice, including providing evidence that the Contractor has used best efforts, such as (where practicable) the use of competitive quotes with its subcontractors to minimize any increase in costs and maximize any reduction in costs, demonstrating that any expenditure to be incurred or avoided has been determined in a cost effective manner, and any other evidence deemed appropriate by the Contractor and CMO.
- (e) If the Contractor does not intend to use its own resources to implement any change in the Work, subject to prior written approval of CMO, the Contractor may subcontract the required resources with the objective of ensuring that it obtains best value for money when procuring any Work, services, supplies, materials, or equipment required in relation to the change in the Work.
- (f) If the Parties agree to the Cost Estimate and Change Notice, as may be modified, amended or altered by the Parties, the Parties shall document the applicable changes to the Statement of Work (“Change Order”) in respect of such modified, amended or altered Cost Estimate and Change Notice within five (5) Business Days after the Contractor receives confirmation from CMO that such Cost Estimate and Change Notice are accepted. For clarity, the Cost Estimate and Change Notice shall not be implemented, unless and until, the Parties have entered into a Change Order in respect of such Cost Estimate and Change Notice.
- (g) Any change in the Work that causes, or is expected to cause, the Contractor’s costs or any subcontractor’s costs to decrease shall be treated as a benefit to the Contractor with the expectation and understanding that CMO will also realize a proportional financial benefit in an amount to be negotiated in good faith between the Parties. If such an understanding cannot be reached, the Parties agree to resolve the difference through the dispute resolution provisions set out in this MSA.
- (h) Contractor’s Proposed Change in the Work:
- (i) If the Contractor seeks to propose a change in the Work in accordance with an express entitlement in this MSA, it must notify CMO in writing. The Contractor, in proposing a change in the Work, agrees to provide CMO with the following information and details in writing:

 - A change in the Contract Price will occur;
 - The change affects the quality of the Work or the likelihood of successful delivery of the amended Work;
 - The change will interfere with any relationship of CMO with third parties;
 - The financial strength of the Contractor is sufficient to perform the change; and
 - The change materially affects the risks or costs to which CMO is exposed.
- (iii) If CMO accepts the Contractor's proposed change in the Work, the change in the Work shall be set out in a Change Order documenting all changes to the scope of Work and/or terms and conditions of this MSA. Where CMO accepts the Contractor's change proposal CMO shall notify the Contractor in a timely manner.
- (iv) If CMO rejects the Contractor's change proposal, CMO shall provide written reasons outlining the basis upon which the change in Work is not accepted by CMO.
- (v) Unless CMO specifically agrees to an increase in the Contract Price in writing, there shall be no increase in price because of a change in the Work proposed by the Contractor.
- (vi) Any change in the Work proposed by the Contractor that causes or that is expected to cause the Contractor's costs or any subcontractor's costs to decrease shall be treated as a benefit with expectation that CMO will also realize a proportional financial benefit in an amount to be negotiated in good faith between the Parties. The Parties agree to take all reasonable steps to negotiate the proportional financial benefit in good faith, failing which the Parties agree to resolve the difference through the dispute resolution provisions set out in this MSA.
- (i) Except as specifically confirmed in writing by the Parties in accordance with this Section 8.8, all Work shall remain unaltered and shall be performed in accordance with the terms and conditions of this MSA.

8.9 Conflicts and Omissions

- (a) Neither Party to this MSA shall take advantage of any apparent error or omission in this MSA or any Statement of Work. Any Work not herein specified which is necessary for the proper performance and completion of any Work contemplated, which may be implied as included in this MSA, shall be done by the Contractor as if such Work had been specified and shall not be construed as a variation of the Work.
- (b) If the Contractor discovers any provision in this MSA which is contrary to, or inconsistent with any Applicable Law, the Contractor shall forthwith report the inconsistency or conflict

to CMO in writing and shall not perform the Work impacted by such inconsistency or conflict until it receives instructions from CMO.

8.11 Intellectual Property

- (a) Subject to Section 8.11(b) or 8.11(c) of this MSA, all Collection Data (including any Intellectual Property Rights residing therein) obtained by or made available to the Contractor in connection with this MSA (collectively, “Documentation”) are the property of CMO or such other entity as identified by CMO, and Contractor shall only use such Documentation as is necessary to perform the Work in accordance with this MSA.
- (b) Notwithstanding any other provisions in Section 8.11, the Documentation that is subject to disclosure obligations or requirements to safeguard personal information for privacy purposes under the Freedom of Information and Protection of Privacy Act, the Municipal Freedom of Information and Protection of Privacy Act, an administrative or court order, and Documentation the content of which was ordinarily disclosed by the Contractor to the public in the normal course of its operations before the Effective Date, does not become part of the property of CMO pursuant to Section 8.11. Where the Contractor is complying with any of the Applicable Laws indicated in this Section 8.11(b), the Contractor shall not be considered to be breaching this MSA.
- (c) CMO acknowledges and agrees that any Documentation, regardless of whether the property of CMO pursuant to Section 8.11(a), may be a record for which the Contractor may have record retention and record destruction obligations pursuant to a municipal code. Where such requirements imposed on the Contractor conflict with requirements that CMO may have with respect to the same Documentation, the Contractor shall not be considered to be breaching this MSA, and the parties will cooperate fully in resolving the matter.
- (d) Title to and all property right, title and interest in the Work and the Documentation, including all Intellectual Property Rights and personal property rights in or to the foregoing, shall transfer and are hereby assigned to CMO free and clear of all encumbrances upon CMO making any payment in accordance with this MSA which is attributable, either in whole or in part, to the relevant Work.
- (e) The Contractor acknowledges and agrees that CMO shall have full ownership of all personal property rights and Intellectual Property Rights in any and all Documentation and Work in accordance with the terms of this MSA.
- (f) The Contractor hereby waives all rights, including any and all moral rights, in and to the Work and Documentation and shall obtain such waivers from all applicable personnel of the Contractor. To the extent the Contractor owns or possesses any Intellectual Property Rights required for full exploitation of the Work or Documentation, the Contractor hereby grants to CMO a worldwide, exclusive, royalty-free, fully paid-up, transferable (to successors and assigns, including as a result of the acquisition of all or substantially all of the shares or assets of CMO, or if required by law), license under such Intellectual Property Rights to fully exploit the Work and Documentation. The Contractor shall enable CMO to fully exploit the Work and Documentation and any component thereof and to enjoy the full exercise of the rights conferred under this Section 8.11, including by, at CMO's request, making available or delivering to CMO where feasible as determined by the Contractor such technology (including software and data) in the Contractor's possession, custody or control as is required for CMO to exploit the Work and Documentation.

8.16 Revisions to this MSA

Except as otherwise expressly stated in this MSA, no amendment, supplement, modification or waiver or termination of this MSA and, unless otherwise specified, no consent or approval by any Party, is binding unless executed in writing and signed by an authorized representative of each Party. Notwithstanding the foregoing, CMO may propose any revisions to this MSA necessary to comply with amendments to the Regulation or other notices, interpretations, rulings, directives or other communications issued pursuant to the Regulation (collectively, “Communications”), and CMO will provide the Contractor with written notice of such proposed revisions as soon as reasonably practicable. Such revision shall automatically have effect from the date of the Change Order, if any, related to such Communications. CMO shall make commercially reasonable efforts to consider and respond to reasonable written feedback related to such revisions received from the Contractor within thirty (30) calendar days of receiving such feedback.

This MSA may be executed in counterparts, each of which shall be deemed an original and which, taken together, shall constitute one and the same instrument. Each counterpart of this MSA may be executed by electronic signature. CMO and the Contractor shall execute and deliver such further and other documents and do and perform such further and other acts or things as may be necessary or desirable to give full effect to this MSA.
