

# Ville de Saint John Guide de recyclage

## Matières acceptées

Triage des matières: placez les contenants (métal et plastique) dans un bac et le papier et le carton dans l'autre bac.

**Carton:** Boîtes de céréales, boîtes à oeufs, cartons ondulés, rouleaux de papier essuie-tout.

**Papier:** Enveloppes, papier journal.

**Métal:** Cannedes de boisson et conserves, papier d'aluminium propre et moule à tarte en aluminium.

**Plastique:** Contenants, bouteilles.

Le programme de recyclage de la ville de Saint John est maintenant géré par **Circular Materials**, un organisme national à but non lucratif qui s'est engagé à mettre en place un système de recyclage efficace et efficient au Nouveau-Brunswick.

Les matières que vous recyclez ne sont pas modifiés.

## Conseils pour le recyclage:

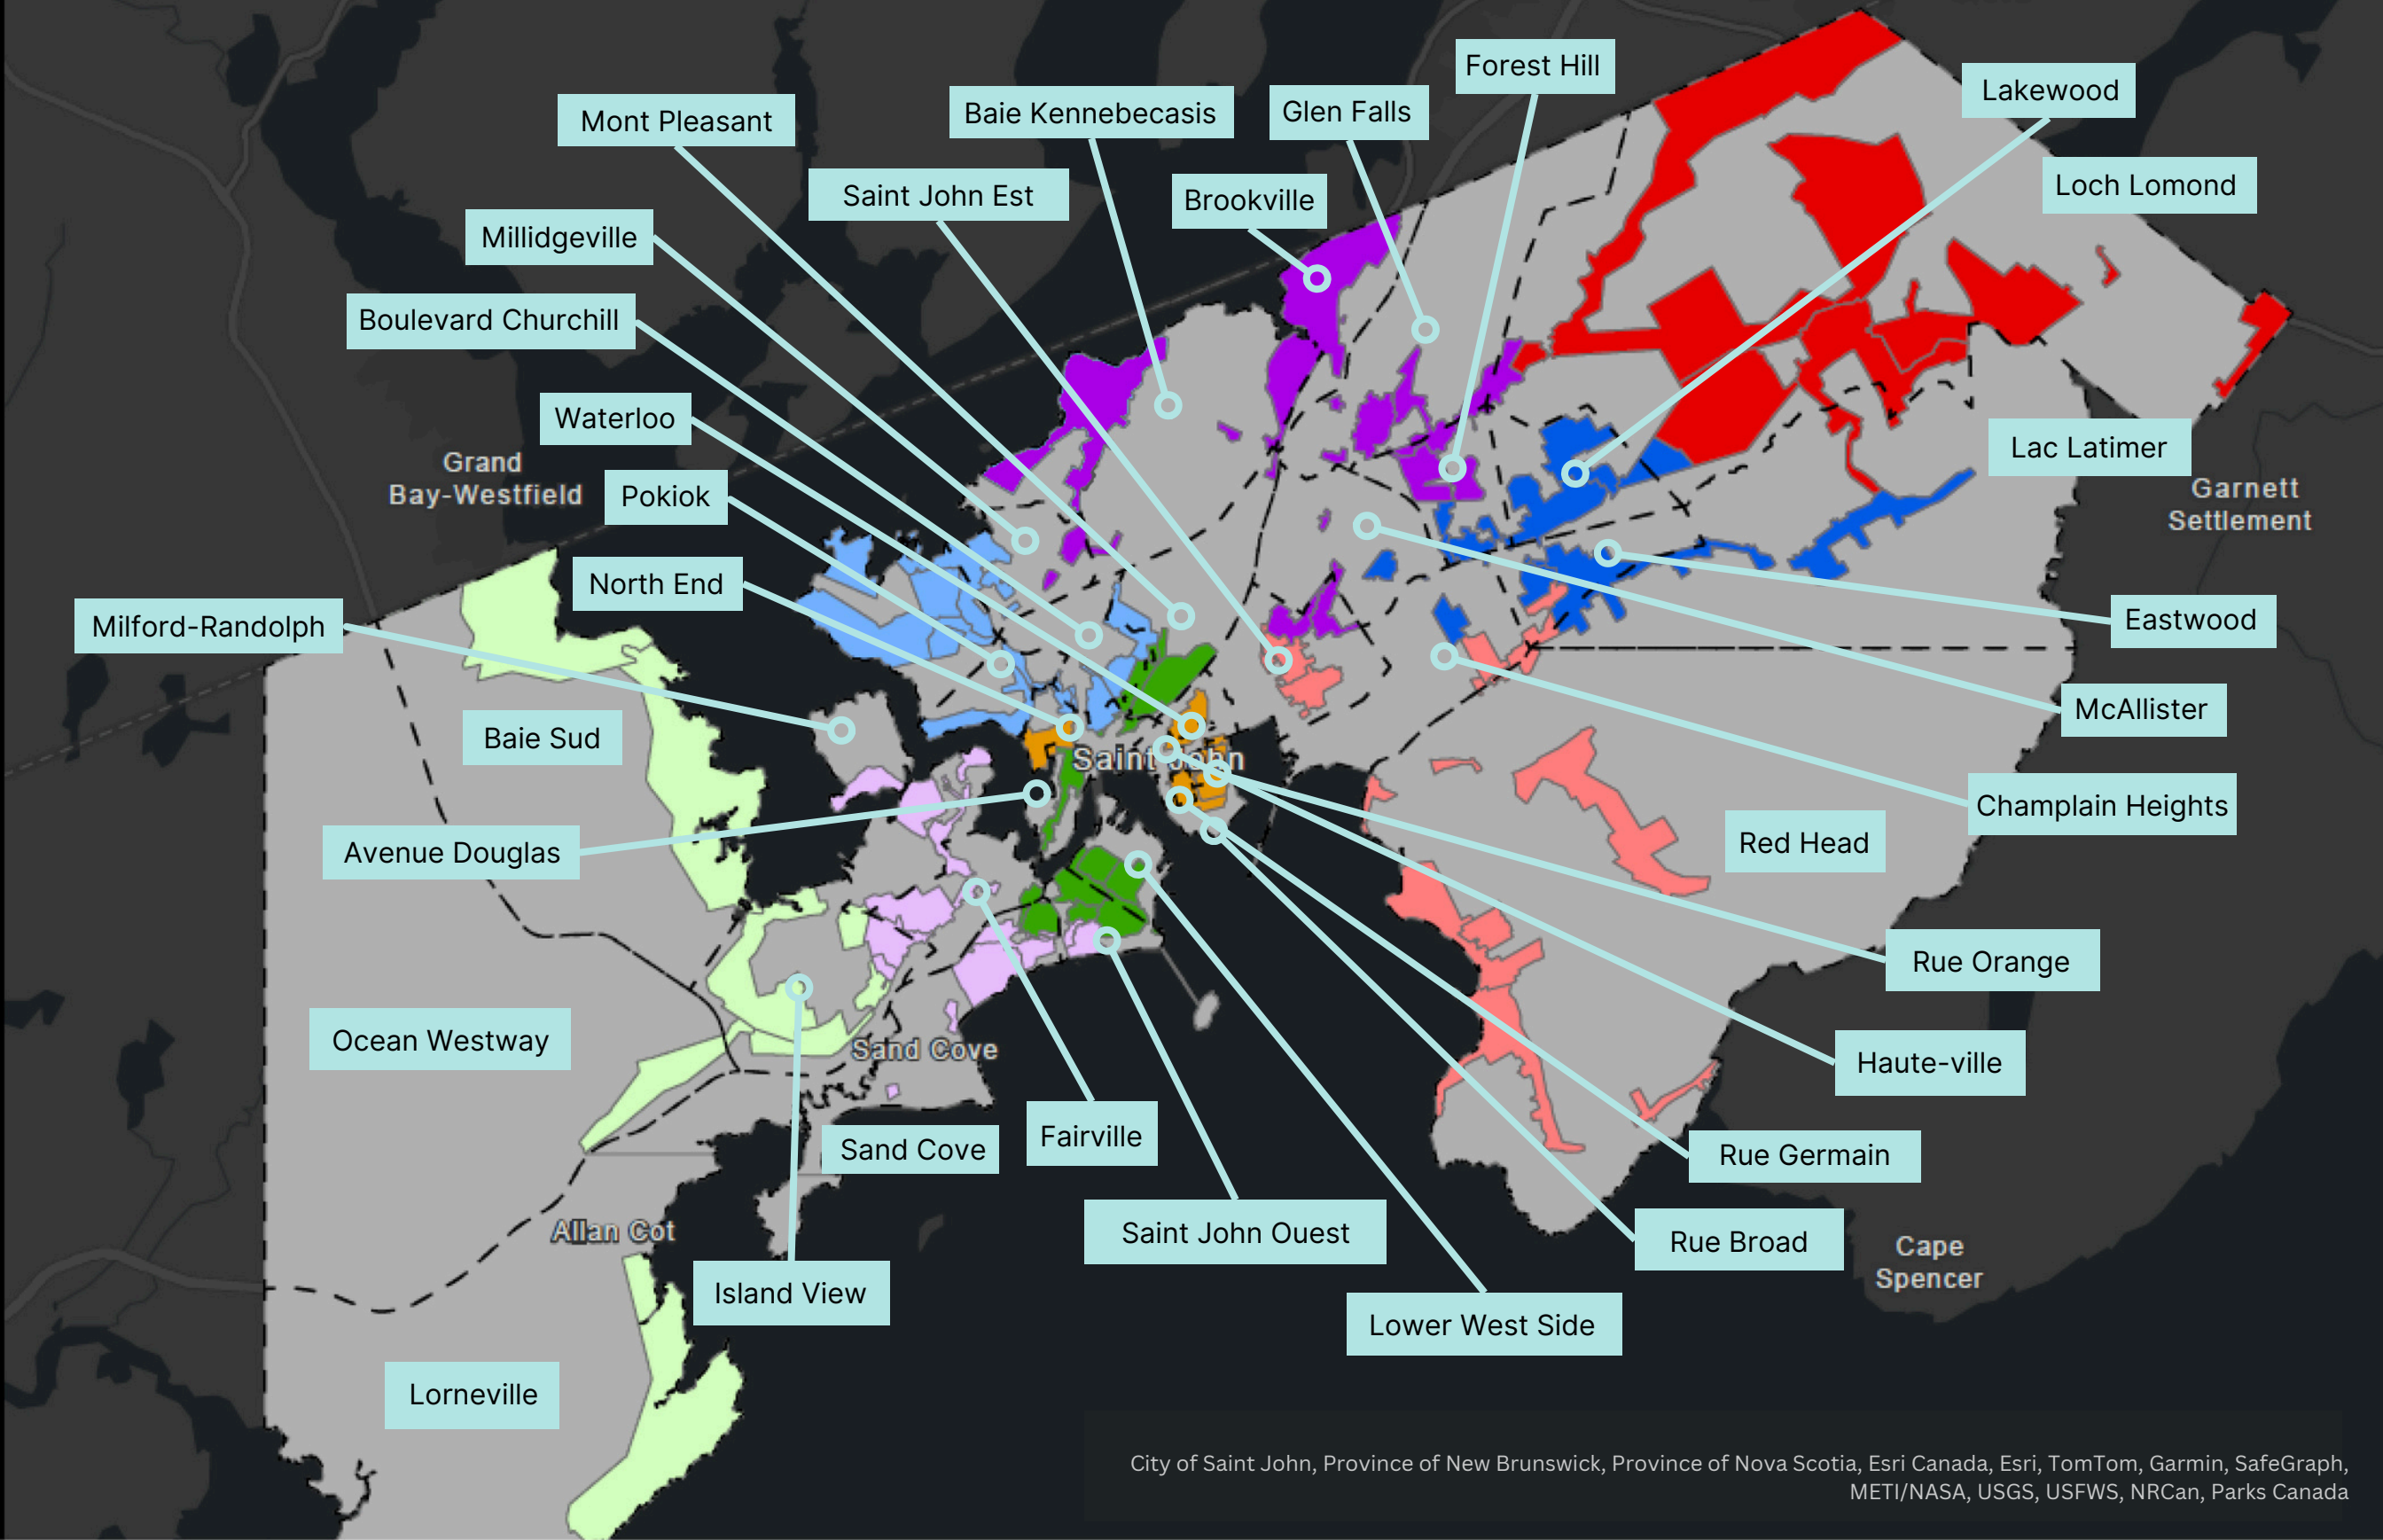

- Triez les matières recyclables des déchets et des matières organiques.
- Veuillez déplier et aplatir le carton
- Videz et rincez rapidement vos contenants
- Gardez les matières en vrac

À partir du 1er mai 2024, la collecte des matières recyclables se fera de jour et non plus de nuit, ce qui signifie que votre jour de collecte pourrait changer. Consultez le verso de ce guide pour votre jour de collecte.
