# FAQs

## How should I set out my cart for collection?

- Set your recycling cart so that the wheels are away from the curb (towards your home, and the lid opens to the street).
- Place recycling and garbage carts at least three feet in front of or beside fences or vehicles.
- Place your cart on a flat surface clear of any snow and ice.

## What if I have excess recyclables that will not fit into the cart?

If your recyclables don't fit, save them for your next collection day.

## Can I request a second cart?

Yes, you can use your own cart.
