FAQs

How should I set out my cart for collection?

- Set your recycling cart so that the wheels are away from the curb (towards your home, and the lid opens to the street).
- Place recycling and garbage carts at least 3 feet in front of or beside fences or vehicles.
- Place your cart on a flat surface clear of any snow and ice.

What if I have excess recyclables that will not fit into the cart?

- Please ensure that all recyclables are included in the cart to enable efficient collection of recyclable materials.

Questions?

- Contact GFL for any questions: 1-833-835-4351 or cm35@gflenv.com.

Benefits of recycling carts

- ✓ Recycling carts, with lids fully closed help **minimize litter** and reduce odour and pest issues.
- ✓ **Increased storage** capacity between collections allows for more space for your recyclables.
- ✓ Collection systems with recycling carts create a **safer working environment** for workers and reduce the risk of injury and accidents.
