FAQs

How should I set out my cart for collection?

- Set your recycling cart so that the wheels are away from the curb (towards your home, and the lid opens to the street).
- Place recycling and garbage carts at least 3 feet in front of or beside fences or vehicles.
- Place your cart on a flat surface clear of any snow and ice.

What if I have excess recyclables that will not fit into the cart?

- Please ensure that all recyclables are included in the cart to enable efficient collection of recyclable materials.

Questions?

- Contact GFL for any questions: 1-833-779-4352 or C33recycling@gflenv.com

Collection schedule change

Starting in January, your recycling collection day will be every other week on Wednesdays, with the first collection taking place Wednesday, January 7.

Please have your cart to the curb by 7:00 a.m. on your collection day.

Benefits of recycling carts

- ✓ Recycling carts with lids fully closed help **minimize litter** and reduce odour and pest issues.
- ✓ **Increased storage** capacity between collections allows for more space for your recyclables.
- ✓ Collection systems with recycling carts create a **safer working environment** for workers and reduce the risk of injury and accidents.
