Recycling collection schedule

Flexible plastics, foam packaging and aerosol containers do not go in your curbside recycling.

Take them to a participating drop-off location near you for recycling.

Aerosol containers need to be emptied before recycling.

Place materials empty and loose in your recycling.

Lids and labels can remain on plastic containers. Keep lids off on glass containers.

Give containers a quick rinse.

Place flattened and bundled cardboard stack 60 x 60 cm next to blue bags at the curb.
