Recycling is changing in Ontario

Starting January 1, 2026, Toronto's recycling program will be managed by Circular Materials, the administrator of Ontario's common recycling collection system, and will no longer be the responsibility of the City of Toronto.

Recycling

For recycling inquiries, including missed collection and bin service requests, please call **1-888-921-2686** or visit circularmaterials.ca/toronto.

To find out what waste goes where, visit toronto.ca/wastewizard or contact **311**.

Green Bin
Organics

- Do NOT put items in loose.
- You must line your kitchen catcher or outdoor Green Bin. Do not line both.

- Use any plastic or paper bag for either container. Compostable bags are not necessary.
- The handle of the bin must be set in the locked position.

Garbage
Collection

- Garbage must fit in your Garbage Bin with the lid closed.
- Ties/bungee cords must be completely removed before collection.

EXCESS GARBAGE

- Must be put in a regular-size garbage bag (66 cm x 91 cm) and have a Garbage Tag attached.

Reduce your garbage and
downsize your bin to save money.

Contact **311**
to change your bin size.

Yard Waste
Collection

- Use a paper yard waste bag or rigid open-topped container (external height no less than 55 cm and no greater than 95 cm).
- Yard waste in plastic bags or cardboard boxes will not be collected.
- Grass clippings, sod and soil will not be collected. Remove excess soil from pulled weeds.

- Secure brush and branches in bundles no longer than 1.2 m (4 ft), no wider than 0.6 m (2 ft) and no heavier than 20 kg (44 lb).
