

Be recycle ready in your building

Steps to recycling:

Empty

Empty, rinse and dry containers before placing in your container bag.

Sort

Place containers in your container bag and fibre materials in your fibre bag.

Flatten and bundle

Cardboard should be flattened and bundled no larger than 60 x 60 cm.

Foam packaging, flexible plastics and aerosol containers are not accepted in your curbside recycling. Please bring them to a participating drop-off location near you: circularmaterials.ca/NSdepots.
