WHEELED BIN COLLECTION

GARBAGE
Black Bin

RECYCLING
Blue Bin

Clean Community.
Better Tomorrow.

Starting in September the municipality of Woodstock, Hartland, Carleton North and Lakeland Ridges will be introducing and providing wheeled bins for garbage collection to all households and apartments of 5 or less units for free.

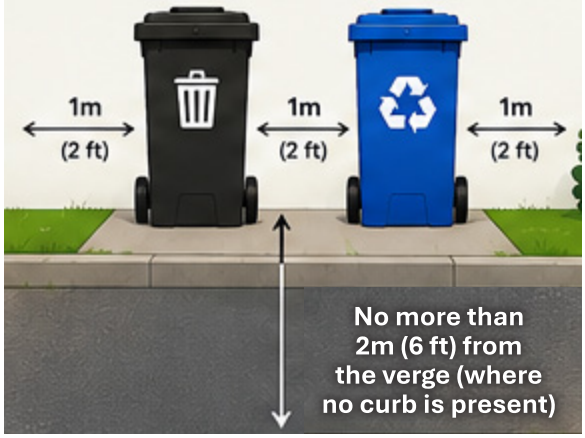

You will also now have weekly garbage collections.

Recycling collections are also increasing to alternate weekly collections, so each month you will receive at least two recycling collections and in some months three recycling collections.

The bulky waste collections are also continuing for all your large items if you cannot convey them yourself to the transfer station in Woodstock.

PROPER BIN PLACEMENT

Keep our collection safe and efficient.

A clean community starts with all of us!

- **USE THE RIGHT BIN**
  Black bin for garbage. Blue bin for recycling.
- **AUTOMATED COLLECTION**
  Our trucks use advanced technology to lift and empty your bins safely and efficiently.
- **SAFE & EFFICIENT**
  The robotic arm does the the heavy lifting so our team stays safe.
- **RECYCLING MATTERS**
  Recycling helps conserve resources and protects our environment.

WHAT'S NEW, AND WHAT STAYS THE SAME.

NEW	From September, waste presented in wooden boxes, or any form of bin that isn't the same as the issued new bin, will not be collected.
SAME	Waste in the garbage bin should be bagged. Recycling in the blue bin should be loose. If you have shredded paper, please place this into a paper bag or a cereal box.
SAME	No construction or demolition waste will be collected. No hazardous waste will be collected. No items that contain freon (Fridges-freezers-air conditioners etc).
SAME	Presentation timing is 7AM on collection day or the evening before. (This may be earlier in some northern municipalities).
NEW	You will present a garbage bin one week and the following week will present a garbage bin and a recycling bin.
SAME	Bins when presented should be at the curb or no more than 2m (6 ft) from the verge, where no curb is present.
NEW	Space the bins 1m (2 ft) from one another and from any other obstruction (parked car etc).
SAME	Ensure lids are closed. No tall items greater than the height of the bin.
SAME	Place bins on level ground (not on top of snowbanks).
NEW	Only bagged waste in the garbage bin will be collected. Any waste not in the provided garbage bin will not be collected. Only recycling in the blue bin will be collected. Any recycling not in the provided recycling bin will not be collected.

FOR COLLECTION DAY TIPS & MORE INFORMATION, VISIT YOUR LOCAL MUNICIPALITY WEBSITE OR WWW.WESTNB.CA
