Your recycling program will be managed by Circular Materials, a not-for-profit organization committed to building an efficient and effective packaging and paper recycling system across Alberta.

Curbside Recycling Guide 2026/2027

Town of Edson

circularmaterials.ca/edson

A new curbside recycling program is coming!

Say hello to your new recycling cart

How should I set out my cart for collection?

- Place your cart at the curb with wheels toward your home.
- Carts should not block vehicle paths.
- Cart lid must be fully closed to minimize litter, reduce odour and protect materials from weather conditions.
- During winter conditions, place your cart on a flat surface clear of any snow and ice.
- Materials that are not placed inside your cart will **not** be collected. Ensure all items are placed loosely inside your cart.

Place carts at least 3 feet in front of or beside any obstacles such as fences, vehicles, lamp posts or power lines.

Recycling safety

Keep items like batteries and electronics out of your curbside recycling. Batteries can cause fires and harm workers.

There are specialized programs in Alberta to collect these items and ensure they are recycled safely.

If it lights up, beeps, buzzes or charges, it probably has a battery and doesn't belong in your household recycling.

Learn more:
circularmaterials.ca/batteries

Keep your recycling loose.

Black bags don't belong in your recycling.

Collection schedule

As of October 1, 2026

Household Waste Zone A

Your recycling will be collected on

October 05, 2026

and then every other Monday

Please have your cart set out **by 7 a.m.**

As of October 1, 2026

Household Waste Zone B

Your recycling will be collected on

October 12, 2026

and then every other Monday

Please have your cart set out **by 7 a.m.**

Holidays may affect your collection schedule. Visit circularmaterials.ca/AB for collection updates and service disruptions.

How to recycle

- ✓ Have your materials out to the curb for collection by **7 a.m.**
- ✓ Flatten cardboard to no larger than **60 x 90 cm.**
- ✓ Ensure containers are **dry, empty, and clean.**
- ✓ Remove lids from **glass containers**, leave lids on all other containers.
- ✓ Place recyclables **loose** in your cart.
- ✓ **Do not** put garbage and organics in with your recyclables.

Recycling gives materials a second life, conserves natural resources, and protects our environment for future generations.

Find a depot

Your extra or oversized recycling can be dropped off at a depot.

Find your nearest depot location!
