Recycling collection questions?

Integrity Waste Solutions Inc.

587-442-9910

customerrequest@integritysolutions.ca

- Missed collection.
- Other recycling questions.

You can find more information about your recycling program on your community webpage:

circularmaterials.ca/athabasca

Your recycling program will be managed by Circular Materials, a not-for-profit organization committed to building an efficient and effective packaging and paper recycling system across Alberta.

Curbside Recycling Guide 2026/2027

Town of Athabasca

circularmaterials.ca/athabasca

More materials are coming to your recycling program!

Be recycle ready!

How should I set out my bags for collection?

- Use see-through (clear or blue) bags for your recycling.
- Recycling bags should not exceed 20 kg (44 lb) or 184 L.
- Black garbage bags or opaque/non-see-through bags cannot be used for recycling.
- Bags should not block vehicle paths.
- During winter conditions, place your bags on a flat surface clear of any snow and ice.
- Materials that are not placed inside your bags will not be collected. Ensure all items are placed loosely inside your bags.

Place bags at least 3 feet in front of or beside any obstacles such as fences, vehicles, lamp posts or power lines.

Recycling safety

Keep items like batteries and electronics out of your curbside recycling. Batteries can cause fires and harm workers.

There are specialized programs in Alberta to collect these items and ensure they are recycled safely.

If it lights up, beeps, buzzes or charges, it probably has a battery and doesn't belong in your household recycling.

circularmaterials.ca/batteries

Keep your recycling loose.

Black bags don't belong in your recycling.

Cornwall, South Hill (inn area south of 47 Ave.), Tower Road Trailer Park, Woodheights

Your recycling will be collected on

October 01, 2026

and then every Thursday

Please have your bags set out **by 7 a.m.**

Holidays may affect your collection schedule. Visit circularmaterials.ca/AB for collection updates and service disruptions.

How to recycle

- ✓ Have your materials out to the curb for collection by **7 a.m.**
- ✓ Flatten cardboard to no larger than **60 x 90 cm.**
- ✓ Ensure containers are **dry, empty, and clean.**
- ✓ Remove lids from **glass containers**, leave lids on all other containers.
- ✓ Place recyclables **loose** in your bags.
- ✓ **Do not** put garbage and organics in with your recyclables.

Recycling gives materials a second life, conserves natural resources, and protects our environment for future generations.

Find a depot

Your extra or oversized recycling can be dropped off at a depot.
