Curbside Recycling Guide 2026/2027

Town of Vegreville

circularmaterials.ca/vegreville

More materials are coming to your recycling program!

Say hello to
your new
recycling cart

How should I set out my
cart for collection?

- Place your cart at the curb with wheels toward your home.
- Carts should not block vehicle paths.
- Cart lid must be fully closed to minimize litter, reduce odour and protect materials from weather conditions.
- During winter conditions, place your cart on a flat surface clear of any snow and ice.
- Materials that are not placed inside your cart will **not** be collected. Ensure all items are placed loosely inside your cart.

Recycling safety

Keep items like batteries and electronics out of your curbside recycling. Batteries can cause fires and harm workers.

There are specialized programs in Alberta to collect these items and ensure they are recycled safely.

If it lights up, beeps, buzzes or charges, it probably has a battery and doesn't belong in your household recycling.

Collection schedule

As of October 1, 2026

Your recycling will be
collected on
October 06, 2026

and then every
Tuesday

Please have your bags
set out **by 7 a.m.**

Holidays may affect your
collection schedule.

Visit circularmaterials.ca/AB
for collection updates and service
disruptions.

How to recycle

- ✓ Have your materials out to the curb for collection by **7 a.m.**
- ✓ Flatten cardboard to no larger than **60 x 90 cm.**
- ✓ Ensure containers are **dry, empty, and clean.**
- ✓ Remove lids from **glass containers**, leave lids on all other containers.
- ✓ Place recyclables **loose** in your cart.
- ✓ **Do not** put garbage and organics in with your recyclables.

Recycling gives materials a second life,
conserves natural resources, and
protects our environment for future
generations.

Place carts at least 3 feet in front
of or beside any obstacles such
as fences, vehicles, lamp posts
or power lines.

Keep your recycling loose.

Black bags
don't belong in
your recycling.

Your recycling program will be
managed by Circular Materials,
a not-for-profit organization
committed to building an
efficient and effective
packaging and paper recycling
system across Alberta.
