Say hello to your new recycling cart

How should I set out my cart for collection?

- Place your cart at the curb by **7:30 a.m.** with wheels toward your home.
- Carts should not block vehicle paths.
- Cart lid must be fully closed to minimize litter, reduce odour and protect materials from weather conditions.
- During winter conditions, place your cart on a flat surface clear of any snow and ice.
- Materials that are not placed inside your cart will **not** be collected. Ensure all items are placed loosely inside your cart.
- Place carts at least 3 feet in front of or beside any obstacles such as fences, vehicles, lamp posts or power lines.

Holidays may affect your collection schedule.

Visit circularmaterials.ca/AB for collection updates and service disruptions.
