Be
recycle
ready!

How should I set out my bags for collection?

- Use see-through (clear or blue) bags for your recycling. Set out materials by **7 a.m.**
- Recycling bags should not exceed 20 kg (44 lb) or 184 L.
- Black garbage bags or opaque/non-see-through bags cannot be used for recycling.
- Bags should not block vehicle paths.
- During winter conditions, place your bags on a flat surface clear of any snow and ice.
- Materials that are not placed inside your bags will not be collected. Ensure all items are placed loosely inside your bags.

Place bags at least 3 feet in front of or beside any obstacles such as fences, vehicles, lamp posts or power lines.
